**Location / Dates:** The event took place in Krakow (Poland) from 27 to 30 June 2022

**Short description:** The aim of the event was to create a thematic Network of Towns for raising awareness about priority matters linked to Migration, integration and Social Inclusion, fight against marginalization and the stigmatization of migrants.

The Topics discussed during the 5th event was "Interreligious Dialogue: an instrument for integration, respect for the Other and the resolution of Conflicts", "Mediation and intercultural communication", "Interreligious dialogue and Traditions", "Between Inter-Culturality and multiculturalism".

The 5th event, held in Krakow (Poland) was conducted through Thematic Conferences, public debates, diffusion and exchange of the best practices, comparison, round table, case studies, interactive workshops, life stories learned from the interview of migrants and view documentary, Evaluation, Dissemination and Networking for the Future.

The activities scheduled fostered a sense of ownership of the EU policies and promoted active participation, to build a tighter-knit Europe, according to the principles of active citizenship and participatory democracy. All participants were actively involved in the development of a constructive dialogue on the topics, creating open debates and discussions through moments of question time and non-formal activities. It was kept in constant consideration the principle of non-discrimination, with particular attention to the inclusion of difficult groups and disadvantaged people.

The activities aimed to reflect the needs and requirements of the participants, in line with the general and specific objectives of the program and the project, to promote new strategies in active participation of citizens, cultural diversity, intercultural dialogue, participation in the democratic process, debate on the Future of EU and social cohesion.

Therefore, participants have been encouraged to exchange opinions and best practices with the aim to formulate new ideas and concrete future proposals. At the closure of the event there was a final Evaluation and group reflection in order to receive the feedback from the participants.
